OUR HISTORY CONTINUED

LWC grew to over 30 in that living room. Space was rented in the Western Hills Shopping Center on Highway 105. God blessed with donations of sheetrock, carpet, and pews, and on October 2-4, 1992, the first anniversary of LWC was celebrated with the dedication of the new facilities. Before long the church doubled in size and the 60-person storefront was outgrown. LWC found its next church home in 1995 across Highway 105 from April Sound, renting a little white community church.

In 1996, Randy Ensey's parents joined LWC and J.R. Ensey became the associate pastor. In 1999, LWC moved to 2080 Longmire Road, with Michael Ensey serving as assistant pastor from May, 2000 to December, 2009.

In 2001, LWC began to broaden its vision and extend its spiritual influence beyond the four walls of the new building. From 2002 to 2010, Lake Conroe Youth Conference, sponsored through efforts of LWC, made a monumental impact on the youth of Texas and beyond. It began at the convention facilities at Del Lago Resort. Outgrowing that, it moved to the Lone Star Convention Center in Conroe, peaking at over 1,800 in attendance.

LWC caught the vision of sacrificial giving, giving well over \$1,000,000 in the past 25 years to various UPCI endeavors. LWC also provided the financial resource in 2006 to build churches in Dobe Toga and Busha, Ethiopia. These churches are thriving today under the effectual leadership of Solomon Lodamo and his son, Tesmesgen Lodamo.

Now, in 2017, LWC has again outgrown the building we currently occupy. We have plans to build a new church on the property we own next door. Ground breaking will be in January, and construction will continue throughout the year. We invite you to join us in this Harvest of Generosity.

HARVEST OF GENEROSITY

For God is the one who provides seed for the farmer and then bread to eat. In the same way, he will provide and increase your resources and then produce a great harvest of generosity in you.

— 2 Corinthians 9:10

OUR PURPOSE

For over 25 years, Living Way Church has been a place where the truth taught and the love displayed has empowered conversion and healing. As the Montgomery

Pastor Randy Ensey

County area has grown in population over the course of 25 years, LWC has also expanded in membership, giving, and ministry.

LWC has again reached a pinnacle in that the church has outgrown its current facility. In

January 2017, LWC will embark on a three year spiritual journey of prayer,

serving, and giving as we trust the Lord to provide a “Harvest of Generosity” in order to build a new facility. Construction of the new facility will begin with a groundbreaking service on January 29, 2017, with construction continuing throughout the year. Since inception, LWC has given over \$1 million to ministries outside of our local assembly, and yet the Lord has provided the financial means in every expansion project of our church. We believe the Lord will continue to pour out His blessings on LWC as we are faithful to His work of planting, cultivating, and growing the Kingdom of God.

LIVING WAY
C H U R C H

OUR VISION

A new facility for Living Way Church will allow for an expansion of our ministry at home and abroad. It will raise our profile in the local community helping us to reach more souls for God. “Harvest of Generosity” is a natural progression of the culture of giving we have established. Our giving in the past has been a sowing that will produce this harvest of generosity. Partnering with God to see this project completed will launch us into the next dimension of giving to the work of the Kingdom that God has for us. God is using LWC to impact the world!

35,000 square foot facility

Over 500 seat sanctuary

Expanded office space

Children’s education facility

Youth education facility triple our current capacity

5500 square foot multipurpose room/fellowship hall

Large food preparation area/Kitchen

Evangelist/Missions quarters

Concrete parking

OUR HISTORY

Before the first service, the first church building, the first sermon or the first song, there was a burden in the hearts of a man and a woman of God. That burden found its home in the call of God to the Lake Conroe area. Randy & Dovey Ensey and their three sons – Brian, Michael, and Jonathan – left the administration of Texas Bible College and moved to the area to pioneer a Home Missions work. The home

they found looked simple, but it housed a family, it housed a burden, and before long it housed a church. September 15, 2016, marked the 25th anniversary of the first service of Living Way Church.
